SRI T. R. SHAMANNA :—I rise an objection. Under article 14 of the Constitution of India it is stated :

“14. The State shall not deny to any person equality before the law or the equal protection of the laws within the territory of India.”

This additional taxation proposed in the Bill is not enforced either in Tamil Nadu or in Andhra Pradesh or in Kerala and thereby the lorries and buses coming from there will have a better privilege than the lorries and buses running in this State. Therefore I object that the Bill cannot be introduced.

MADAM SPEAKER.—The Hon. Member may say at the time when the Bill is taken up for consideration. The Hon- Minister to introduce the Bill.
